National Union Convention.

A National Union Convention of at least two delegates from each Congressional District of all the States, two from each Territory, two from the District of Columbia, and four delegates at large from each State, will be held at the city of Philadelphia, on the second Tuesday (14th.) of August next.

Such delegates will be chosen by the electors of the several States who sustain the Administration in maintaining unbroken the Union of the States under the Constitution which our fathers established, and who agree in the following propositions, viz:

The Union of the States is, in every case, indissoluble, and is perpetual; and the Constitution of the United States, and the laws passed by Congress in pursuance thereof, supreme and constant, and universal in their obligation;

The rights, the dignity, and the equality of the States in the Union, including the right of representation in Congress, are solemnly guaranteed by that Constitution, to save which from overthrow so much blood and treasure were expended in the late civil war;

There is no right, anywhere, to dissolve the Union, or to separate States from the Union, either by voluntary withdrawal, by force of arms, or by Congressional action; neither by the secession of the States, nor by the exclusion of their loyal and qualified representatives, nor by the National Government in any other form;

Slavery is abolished, and neither can, nor ought to be re-established in any State or Territory within our jurisdiction;

Each State has the undoubted right to prescribe the qualifications of its own electors, and no external power rightfully can, or ought to dictate, control, or influence the free and voluntary action of the States in the exercise of that right:

The maintenance inviolate of the rights of the States, and especially of the right of each State to order and control its own domestic concerns, according to its own judgment exclusively, subject only to the Constitution of the United States, is essential to that balance of power on which the perfection and endurance of our political fabric depend, and the overthrow of that system by the usurpation and centralization of power in Congress would be a revolution, dangerous to republican government and destructive of liberty;

Each House of Congress is made, by the Constitution, the sole judge of the elections, returns, and qualifications of its members; but the exclusion of loyal Senators and Representatives, properly chosen and qualified under the Constitution and laws, is unjust and revolutionary;

Every patriot should frown upon all those acts and proceedings, everywhere, which can serve no other purpose than to rekindle the animosities of war, and the effect of which upon our moral, social and material interests at home, and upon our standing abroad, differing only in degree, is injurious like war itself;

The purpose of the war having been to preserve the Union and the Constitution, by putting down the rebellion, and the rebellion having been suppressed, all resistance to the authority of the general Government being at an end, and the war having ceased, war measures should also cease, and should be followed by measures of peaceful administration, so that union, harmony and concord may be encouraged, and industry, commerce and the arts of peace revived and promoted; and the early restoration of all the States to the exercise of their constitutional powers in the National Government is indispensably necessary to the strength and the defence of the Republic, and to the maintenance of the public credit.

All such electors in the thirty-six States and nine Territories of the United States, and in the District of Columbia, who, in a spirit of patriotism and love for the Union, can rise above personal and sectional considerations, and desire to see a truly National Union Convention, which shall represent all the States and Territories of the Union, assemble, as friends and brothers, under the national flag, to hold counsel together upon the state of the Union, and to take measures to avert possible danger from the same, are specially requested to take part in the choice of such delegates.

But no delegate will take a seat in such Convention who does not loyally accept the national situation, and cordially endorse the principles above set forth, and who is not attached, in true allegiance, to the Constitution, the Union and the Government of the United States.

A. W. RANDALL, President.
J. R. DOOLITTLE,
O. H. BROWNING,
EDGAR COWAN,
CHARLES KNAP,
SAMUEL FOWLER,
Executive Committee National Union Club.

We recommend the holding of the above Convention, and endorse the call therefor.

JAMES DIXON,
T. A. HENDRICKS.

WASHINGTON, June 25., 1866.

APPROPRIATION OF THE PUBLIC MONEYS.—The Radical Congress does what it pleases, with out any reference to the Constitution. We have no objection to any proper benevolence to the people who lost their homes and property in the great conflagration at Portland, Maine, but we do most earnestly protest against an appropriation which has no warrant in the Constitution. The Government was made for certain purposes that are clearly enough defined, and it is certain that it was never intended to distribute gratuities at the caprice of Congress. Once admit precedents of the kind which this Portland donation represents, and where shall we stop? The history of the country shows very plainly that it was never before considered competent for Congress to appropriate money except for the public service.

THE SUNSTROKE.—The *coup de soleil* has been a fearful scourge this summer. In New York there have been already "two hundred and fifty-eight" sunstrokes, of which "one hundred and thirty-five" proved *fatal*! The cholera, so feared by everybody, has been outdone by this, of which few had any apprehension. The heat has been excessive, and Professor Loomis says that it has been the hottest weather since 1778, and probably for a much longer period. Baltimore has a fearful list of deaths by this summer sun. Let us hope that the hot spell is over and that we can go and come from our business without fear of sudden death by the way.

VALUABLE REAL ESTATE,

LOCATED IN AND ADJOINING THE TOWN OF WARRENTON, N. C.

FOR SALE.

The Warrenton Female College is now offered for sale, on reasonable terms. This College has been in successful operation, for over twelve years, and, during that time, it has earned a reputation as an Institution of learning, second to none in N. C.

The location is such as to warrant a full attendance of pupils, being very accessible from any point, especially the Eastern portions of N. C. and Va.

The Committee, who have been empowered to make sale of this property, deem it unnecessary to say more of this Institution as its character for a high grade of scholarship, and the elevated standard of morals inculcated, under the eye and supervision of its late President, E. E. Parham, is already well known.

The society in which this College is located is known to be equal to any in the South.

There is now a sufficiency of Buildings and other Conveniences attached to this Real Estate, to conduct a large and flourishing school. The premises contain about SIXTY ACRES of Land a material portion of which is within the *Corporation*. This, with *all* or a *part* of the furniture, &c., belonging to the same, can be purchased with the land and buildings. This property will be offered *privately* for sale until *Wednesday* the 3rd day October next, and, if not then sold, will be on that day sold, at public auction, to the highest bidder.

The Committee are fully authorized to sell, and would say that a rare chance is offered to any party wishing to purchase such property, as *time* sufficient, if required, will be given. Possession given *immediately*.

Any person or party wishing to examine the property will be shown it by, E. E. Parham, the present occupant, or by any one or more of the Committee.

Tod R. Caldwell.

The Junior Editor of the *Sentinel* cannot refrain from expressing his surprise that the Editors of the *Standard* should have admitted into their columns, much less commented on, a grossly scurrilous attack upon him, from the pen of Tod R. Caldwell, which is wholly gratuitous and unprovoked. The Editors certainly saw, in the *Sentinel* of the 18th., that the Junior Editor had no agency in the article which has made this erratic and wraspish man so bilious. But let that pass.

The Junior Editor has no taste for, and no disposition to engage in, personal newspaper controversy. Whatever, therefore, may be the cause of Mr. Caldwell's bitter and exasperated frame of mind,—whether it be attributable to the defeat of his Congressional aspirations, the public scorn of his Radical affinities, or the probable prospect of an early termination of his brilliant career as a Railroad President,—he will only notice it, in connection with one point which he makes, and then leave him to bite himself, if he chooses, in one of his rabid and well-known irascible moods.

The late Legislature was in session some seventy-six days,—both sessions together. During seventy-one days of that time, the Junior Editor of this paper, who was Principal Clerk of the House of Commons, was not absent from his official labors for ten minutes at a time. He can confidently appeal to the Speaker, the Engrossing Clerks, and every member of the House, as to the fidelity and industry with which his duties were discharged. Pending the time that the Bill for the relief of the Western N. C. R. R. was upon the House calendar, he was so much in favor of the measure that, on several occasions, he resorted to some of those pardonable clerical expedients, which are frequently practiced, in order to give it precedence. For the truth of this statement, he can appeal to Mr. Craige, the intelligent member from McDowell Co., who had the success of the bill much at heart. The Junior Editor was confined to his residence by illness for the last four or five days of the session, *during which time* the bill passed its final reading. As soon as he found, after the adjournment, that, in the great pressure of business at the close of the session, the acting Clerk (than whom there has been no more efficient officer,) had inadvertently omitted to hand the bill to the enrolling Clerk, he at once requested the Secretary of State to write to Mr. Caldwell, explaining the facts, and expressing his profound regret at the accidental omission. This the Secretary did; and the Junior Editor, on two occasions since, *has personally detailed the material portion of the foregoing facts to Mr. Caldwell*, and even expressed a warm interest in the success of his bill before the Convention. And yet, he has the audacity to charge the Clerk with negligence, or a wilful and dishonest perversion of his official obligations, in order to defeat a Western enterprise! The Junior Editor feels that, were he to attempt to characterize such meanness in the language it merits, he would trench too far upon the forbearance of the readers of the *Sentinel*.

The Junior has heretofore noticed the paltry and absurd allusions that have been made relative to his alleged indisposition to walk under the national flag on the 22nd. of February last. The matter was really too small *for* notice, at any time, and *Mr. Caldwell's* fresh ventilation of it certainly does not give it any claim to additional consideration. Let Mr. Caldwell look to himself, and he will have enough to do to keep above the surface of public odium. His course during the war, and since, has not been such as to elevate him in popular estimation. There is no man in the State who, so far as at least as his reputation extends, has rendered himself so generally obnoxious.

The *Senior* Editor has nothing to say in reply to Mr. Caldwell's abusive and personal attack. He occupies a position, personally and religiously, above the malignity of such men as Tod R. Caldwell, and his abettors. When Mr. C. is disposed to state facts, based upon better testimony than his own declarations, in regard to his ability to manage a Railroad, (the only point we intended to make in our article,) he shall have full justice in the *Sentinel*.

THE PHILADELPHIA CONVENTION.—Washington Hunt, Jas. Brooks and Fernando Wood are among the delegates elect from New York to the Philadelphia Convention. We learn that Ex-Presidents Fillmore and Pierce will probably be in attendance. Their presence will add much dignity and weight to the Convention, and will constitute an appeal to all patriotic men to unite in the movement it inaugurates.

ERRATUM.—In the Governor's Proclamation, published in our issue of yesterday, two inaccuracies occurred, which the papers requested to copy will please correct. In Gen. Robinson's communication to the Governor, the words "distribution of justice" should read "*administration* of justice;" and in the body of the Proclamation the word "petitioners" should be "*petitions*."

THE PRESIDENT has pardoned the Hon. A. E. Maxwell, who was one of the Confederate States Senators from Florida.

The Raleigh *Progress* seems bent upon having a candidate in the field in opposition to Jonathan Worth. Gen. Ransom having refused a nomination, Gen. W. H. Cox is mentioned in connection with the Gubernatorial canvass. We tell our friend the *Progress* that, whoever shall oppose Gov. Worth in the present canvass, will be doomed to defeat. There is but one person in the whole State that would stand the smallest chance of defeating Gov. Worth, even if he were to consent for his name to be run, which he would not—the favorite son of the old North State, Z. B. Vance. Friend *Progress*, keep cool, and allow the people to remain quiet as to the Governorship. Both Gen'ls. Ransom and Cox can afford to wait,—the people will not forget the services they both have rendered, before they will have an opportunity of presenting their claims for high honors, or their friends for them.—*Statesville American.*

We copy the above, to say that we have avoided much notice of the movement to bring out opposition to Gov. Worth by Constitutional Union men, for the reason that we have felt sure that Gen. Ransom and Gen. Cox have not given the movement any countenance. If our cotemporaries desire to have other candidates, and thus divide the conservative men of the State, the men who support warmly President Johnson's policy, they can do so; but the inconsistency of such a course, as well as its imprudence, must be palpable to every one. The people of the State are satisfied with Governor Worth. No Governor, under the circumstances, could give more general satisfaction than he has done. His personal and political integrity no one doubts; his industry and devotion to the State, his ability to execute the duties of the office at this critical period, are unquestionable, and his genuine conservative and patriotic principles and spirit, both in devotion to the State and to a Constitutional Union, make him the man for the times. Why then seek to divide our people? We are sure if the opponents of Gov. Worth desire utter defeat, as well as division, they have only *to try it.* As the *American* very properly says, Gen. Ransom and Gen. Cox can afford to wait.

We call upon the friends of the President, and upon the friends of the new Constitution, to rally, and to go to the polls in full force and vote to ratify the new Constitution. The election will take place on the 2nd. 3rd., and 4th. of August.—*Standard.*

If Gov. Holden desires and intends to defeat the amended Constitution, a few more remarks like the above will certainly effect it. Just convince the people that the Constitution is endorsed by Gov. Holden, and was adopted by his friends, and they will reject it without further hearing.

But why should he resort to his usual demagoguery? What right has he to appeal to the President's friends to support it? Is he coming over to the President? Did the cold shoulder he got from the Rads. at Washington draw him back to the President? Is he ready now to give the President a steady support?

The acceptance or rejection of the Constitution has nothing to do with the support of the President's policy. Whether it be rejected or not, the President's policy will be carried out. Its validity does not depend upon the amended Constitution, but it is secured and made valid by the legitimate action of the Convention independent of the new Constitution.

The State's Interest in the Railroads.

When the subject of selling the interest of the State in the Railroads was first mooted, looking at her material condition and indulging the hope that our Railroads might be a source of profit to her, and thus prevent the necessity of taxation, we were opposed to the sale, and so expressed ourselves. A better understanding of the condition of things, and subsequent reflection, have convinced us that the best thing the State can do, at present, is to dispose of her entire interest in the Railroads and other internal improvements, on the best terms possible. We are also inclined to the opinion, that the best thing the creditors of the State can do, (those who hold her bonds,) is to exchange them for Railroad bonds.

The letter of Mr. Treasurer Battle, to-day, addressed to Maj. Devereux, meets a difficulty which has been suggested by capitalists, fully. There need not be the slightest apprehension, that the State will be inclined to control the Railroads, after she has disposed of her interest in them. She will require a fulfilment of their charters, but will no longer claim the privilege of directing or controlling the operation of the Roads.

WE ARE indebted to a friend, Mr. Henry Miller, jr., of Clayton, for a copy of the Glasgow *Weekly Herald* of the 23rd. June last. It is equal to the largest sized Weekly American journals, and is crammed with the weekly news of the entire British Dominions, and the rest of the world. If our space allowed, we could make some readable extracts from the American correspondence of the *Herald*, which show how queerly American manners and habits strike a Scotchman. Many of the speculations of foreigners upon American manners are not a little amusing.

The Supreme Court.

About two months ago Mr. WILSON, of Iowa, reported from the Judiciary Committee a bill to reduce the number of Judges on the Supreme Bench, by enlarging the several circuits and thereby obviating the necessity of filling the existing vacancy caused by the death of Judge CATRON. The bill passed the House by a considerable majority. It was sent to the Senate, and amended by that body so as to provide, in addition to the reduction proposed by the House, that hereafter no vacancy occurring on the Supreme Bench shall be filled until the number of Judges shall be reduced to seven—one Chief Justice, and six associates—and the House, a few days ago, by a party vote, concurred in the amendment. The object of this measure is perfectly apparent. It is intended *solely* for the purpose of keeping a majority of Radical judges on that bench, thus practically converting it into a *political* tribunal to sustain the unconstitutional acts of the now dominant party in Congress. It is said that Chief Justice Chase advised this movement.

THE NEWBERN TIMES is open-mouthed against the Philadelphia Convention. That paper is now undisguised, and stands squarely for Thad Stevens and his infamous crew. Very well. The Southern people had a right to expect nothing else. We certainly had.—*Newbern Commercial.*

Of course, the Radical press will every where oppose it. We are glad that the Radicals of this State are finding out that the people will not send them to the Philadelphia Convention. But we do not class *all* those who voted for Mr. Holden as Radicals. Far from it. At this time, many of those who have been the most blatant Union men, and who have most violently opposed the war, are among the most bitter and denunciatory against the Radical policy.—We believe, so far as we can learn, that the worst haters of ultra-abolition Yankees and the Radicals, in this State, are the "so-called" Union men. Should any of these be disposed to co-operate with the Constitutional National Union men, in sustaining President Johnson, we welcome them, but conceive that men tainted with Radicalism can have no part in the Philadelphia Convention.

For the Sentinel.

The Philadelphia Convention.

As a citizen of Wake, I beg leave to suggest the name of a proper person to be selected from this District as a delegate to the proposed Convention in Philadelphia, on the 14th. of August. I will not take the liberty of proposing but one name, taking it for granted that the other delegate, to be selected from some other county, will be fixed upon by the delegates of the county from which he may be chosen.

Gov. MANLY possesses the qualifications necessary in an eminent degree. He has ability, experience and general reputation for integrity and moral worth. Then, again, Gov. Manly occupies the very *status*, politically, which is requisite in a delegate to the said Convention. He was in retirement during the whole war, and held no office under the Confederate authority. Opposed to secession in the first instance, yet he sympathized warmly with, and boldly sustained, his section, after the struggle commenced. He has done nothing, and held no position, a knowledge of which would be likely to impair his usefulness as a delegate. Gov. Manly knows nothing of, and has had no agency in, the writing of this communication. He has never been a greedy seeker of office in North Carolina.

The South needs men in the Convention whose general reputation will give them an identity of character and position,—causing them to be sought out and counselled with.—The appointment of delegate ought not to be conferred on any one, merely to gratify a morbid desire for notoriety, nor for the promotion of any personal convenience, nor to carry out the arrangements of any clique or faction.

Public Meeting in Franklin.

Public Meeting in Warren.

At a public meeting held at the Court House in Warrenton, on the 21st. day of July, 1866, on motion of Wm. A. Jenkins, Thomas. A. Montgomery was appointed Chairman and William A. White, Secretary.

The objects of the meeting were explained by the chairman, when the following resolutions were introduced by William Eaton, jr., and were unanimously adopted, viz:

Resolved, That we approve of the National Union Convention proposed to be held in Philadelphia on the 4th. of August next; that we believe, in the language of the Secretary of State of the United States, that "it will be a lawful and patriotic attempt made in the right direction, an effort to be remembered with pride and satisfaction, whether it succeed or fail."

Resolved, further, That we believe that the proposed Convention meets with the approbation of the most enlightened conservative, patriotic and liberal men, both at the North and the South, that the popular sentiment of North Carolina is decidedly in its favor, and that we earnestly desire that our honored State shall be represented in that body, and by her ablest and most deserving sons.

Resolved, That the chairman of this meeting be requested to appoint ten delegates to represent Warren County in the District Convention to be held in Raleigh, on the 25th. of this month, for the purpose of selecting two delegates from this Congressional District to the said Convention.

Resolved, That we concur with our fellow-citizens of Wake County, in recommending to the delegates appointed from the several Congressional Districts, that they meet in Raleigh, on the 10th. of August next, and appoint four delegates from the State at large to the Philadelphia Convention.

Resolved, That these proceedings be signed by the Chairman and Secretary, and that they be published in the *Sentinel*, the *Progress* and the *American Eagle*.

In obedience to the second resolution, the chairman appointed the following persons, to-wit: Wm. Eaton, jr., Jos. B. Batchelor, Wm. A. Jenkins, Jno. Buxton Williams, Dr. T. P. Jernan, Jno. H. Bullock, Dr. Wm. J. Hawkins, Dr. F. J. Pitchford, Rev. P. H. Joyner, and Peter R. Davis delegates to the District Convention. THOMAS A. MONTGOMERY, Chairman.

WILLIAM A. WHITE, Secretary.

Correspondence of the Sentinel.

FAYETTEVILLE, N. C., July 23, 1866.

MESSRS. EDITORS:—I drop you a line to give you the particulars of a most distressing calamity which occurred here on Saturday. The rain of Friday had swollen the stream, which runs through the town, alarmingly, washing away several dams. About 10 o'clock on Saturday morning, some twelve or more persons were standing on Eccles' bridge, looking at the water, when the heavy upright of the bridge, being undermined, suddenly gave way, and precipitated all but one or two into the stream, washing nearly all of them down the creek.

Benj. Elliot was taken out very severely bruised by the falling timbers. Mr. Wm. H. Haigh, though badly bruised, swam down the stream and got out. Others escaped without serious injury. Three colored men were supposed to be drowned. One colored body has been recovered. But, saddest of all, Thomas, a little son of Hon. T. C. Fuller, who was on the bridge, was drowned. His body was recovered some half mile below the bridge, on Monday morning. The funeral took place yesterday (Sunday) afternoon, all the churches closed, and the whole town (white and colored) attended, testifying their sympathy for the terribly afflicted family. Yours, &c.

MARRIED.

DEATH OF JAMES MCKIMMON, ESQ.—We record, with profound regret, the death of James McKimmon, Sr., at his residence in this City, this morning. Mr. McK. was one of our oldest merchants and most popular citizens. Few men in the community were more universally or deservedly esteemed. We trust that some one will furnish us with a suitable tribute to his worth.

The funeral will take place from the Episcopal Church to-morrow (Wednesday) afternoon at 5½ o'clock.

The friends of the family, and citizens generally, are respectfully invited to attend.

MEETING OF MERCHANTS AND TRADESMEN.—In accordance with the suggestion of some of the oldest Merchants, there will be a meeting of the Merchants and Tradesmen of Raleigh, this afternoon, at 5 o'clock, at the Court House, to consider the loss this community has sustained in the death of James McKimmon, which occurred this morning at 3 o'clock.

THE CONCERT will certainly take place on Friday night. The most attractive arrangements have been made to please and gratify the public taste. Independently of the array of vocal talent that will be presented, Mr. Wheat's performances on the Piano promise a luxury rarely enjoyed in this or any other community. He is said, by musical connoisseurs, to have no superior even among the artistes who have attained the greatest celebrity. We invoke for the Ladies of the Memorial Association a crowded audience.

Proceedings of public meetings in Johnston and Davidson counties are crowded out. They will appear to-morrow.

The District Convention, for the appointment of two delegates from this Congressional district, to the Philadelphia Convention, will assemble in this city, to-morrow.

Exchange of North Carolina Bonds.

STATE OF NORTH CAROLINA,
TREASURY DEPARTMENT.
Raleigh, July 20th., 1866.

John Devereux, Esq., Raleigh, N. C.:

DEAR SIR:—Yours, requesting my views "whether there was, before the passage of the ordinance authorizing the conversion of State bonds into railroad stocks, any understanding that the State control of these works would cease *pari passu* with its interest," is received. You state that my "opinion on this point, although not having the validity of law, will influence the action of many."

Under the above announcement that "my opinion will influence the action of many," I feel some diffidence in expressing that opinion, but as a doubt in regard to the action of the State, in the contingency of a sale of stocks, will injuriously affect their price, I do not feel at liberty to withhold a frank answer to your inquiry.

I conversed frequently with the leading advocates of the ordinance, under which the offer for exchange of stocks for bonds is made, and there was not one, who did not assume, as a *matter of course*, that the State would surrender the control of the works *pari passu* with the sale of stock.

One of the arguments for the passage of the ordinance was that the railroads would be better managed when freed from the mutations in the Boards of Directors, incident to the biennial changes in the appointing powers. The chief argument used against the measure, was that by its execution, the administration of those works might pass into the hands of others than citizens of the State.

I happened to be in the lobby of the Convention hall when one of the delegates from Granville, (Mr. Grissom,) moved a reconsideration of the ordinance above mentioned, giving as a reason therefor, that it required amendment in the particular in question. One of the delegates from Orange, (Mr. Phillips,) a gentleman of large influence in the Convention, replied that if an exchange should be made, the surrender of the Directorship of the works would be effected, as a matter of course, by subsequent legislation. Whereupon, without further debate, the motion to reconsider was defeated.

By section 3, of the amended charter of the Raleigh and Gaston R. R. Co., it is enacted, "That whenever the State shall transfer its stock, in whole or in part, the State shall have only one Director for every thousand shares, which it may retain in the stock of said Company."

I am not aware that there is any similar provision in the charter of other Railroad corporations. But that the State, after having sold its stock in works of internal improvement, should transfer the control, possessed only by virtue of its ownership, seems to me so manifestly required by good faith, that, in my opinion, purchasers may expect prompt action of the General Assembly to effectuate such transfer.

Very Respectfully,
KEMP. P. BATTLE,
Public Treasurer.

THE TENNESSEE RUMP LEGISLATURE.—Senator Sumner received yesterday, from Governor Brownlow, a dispatch announcing the adoption of the constitutional amendments by the rump Legislature of Tennessee. This characteristic dispatch was disgustingly insolent and offensive to the President. After careful manipulation it was passed around among the Radical Senators, so that they might enjoy the filthiness of its abuse of Mr. Johnson.

It appears that fifty-six votes were requisite for a quorum of this rump Legislature. The vote upon the constitutional amendments was forty-three ayes and eleven noes, making only fifty-four members present and voting. Two other members were at the time in the custody of the sergeant-at arms, under arrest, and refused to participate in the proceedings. The quorum was thus constructively made up. The whole affair is a shameless juggle and fraud, which will be repudiated by the people and pronounced illegal by the courts.—*Nat. Intelligencer, Friday.*

ANOTHER DECISION IN FAVOR OF LAW.—In the District court of Charleston, South Carolina, Judge Berrian has supported the ruling of Judge Bryan. In the case of Castillo, confined in jail under military power, Judge Berrian granted a writ of *habeas corpus*, but, Lieutenant Manning refusing to deliver the prisoner, the Judge has issued a rule enforcing the presence of the Lieutenant to answer for a resistance to law. Judge Berrian insists that all martial law is now unwarranted, and that no arrests can now be made without due legal process. As these judges belong to the United States courts, we hope that their opinions will have the effect of driving the military tyranny from the South.

Gov. Patton has returned to Alabama, having not only negotiated a large amount of State bonds for the relief of the destitute, but received abundant voluntary contributions from Missouri and Illinois, the only two States he visited.

Murdoch, the actor, read the Declaration of Independence, on the Fourth, at Madison, Wisconsin. A Radical present, mistaking the document, interrupted the reading, and said he didn't think much of such a speech on the 4th of July, or of the man who was making it.

One of our countrymen, travelling in Europe, was asked by a foreigner if he had not recently crossed the Alps. "Wall," said the Yankee, "now you call my attention to the fact, I remember I did pass some risin' ground."

The Boston *Commonwealth* states that Wm. Lloyd Garrison is suffering severely from the results of two falls upon the ice last winter, and is unable to use a pen, and consequently his work on the history of the anti-slavery cause is wholly retarded.

Speed writes Senator Doolittle a ridiculous letter, in which he speaks of "the lofty dreams of the American continental mind." The letter isn't worth a continental.

General Logan, of Illinois, and ex-Provisional Governor Hamilton, of Texas, have been making speeches at Washington, violently denunciatory of President Johnson's policy. It was but a few weeks ago that Logan was a visitor at the White House, and expressed his approbation of the very policy he now condemns.

A meeting has been called at Leavenworth, Kansas, to choose delegates to the Philadelphia Convention.

The Senate, it is stated, has rejected the nomination of Governor Holden, of N. C., as minister to San Salvador.

Mr. P. T. Barnum is said to be a candidate for a seat in Congress from the State of Connecticut.

The druggists of St. Louis devoted the proceeds of their sales of soda water on Tuesday to the Southern Relief Association.

The great seal of the State of Missouri, carried off by the Confederates during the war, has been recovered.

Hon. Thomas Ewing has written a letter endorsing the Philadelphia Convention.

NEW YORK, July 20.—A special dispatch says that E. G. Ross has been elected successor of Senator Lane, from Kansas.

From Mexico,---The Cholera in New York and Brooklyn.

WASHINGTON, July 23., P. M.

Letters from the city of Mexico assert that Maximilian has agreed, together with the French Minister, that 20,000 French troops will remain in Mexico for five years, serving under the Mexican flag. Napoleon agrees to furnish Maximilian $500,000 per month for five years, receiving, as security for this and other claims, the Railroad from Vera Cruz to the city of Mexico,—the Revenue to be collected by French officials.

There were 1130 deaths in this City last week. Yesterday there were 14 deaths from cholera, in this City, and 5 new cases in Brooklyn. The epidemic is increasing. On Governor's island, there were two deaths and more than the usual number of cases. Of 24 cases there, all are boys from 16 to 20 years of age. The disease is severe on Hart's island; the number of cases is 20 to 30 daily, with 10 or 15 per cent of deaths.

Cholera Hospitals have been established in the infected Districts in Brooklyn, which are near the Hamilton Avenue Ferry.

Congress---Action of the President on the Resolution Admitting Tennessee.

WASHINGTON, July 23, P. M.

The House to-day concurred in the Senate joint resolution for the admission of Tennessee. It is said that the President will sign it, as it provides for the admission of the Tennessee representation, but will protest against its being sent to him, as he has nothing to do with the admission of members of Congress.—He will further protest that the preamble does not state the truth, inasmuch as it asserts that the Tennessee Legislature has adopted the proposed amendment to the Constitution, when, in fact, it has not been adopted by a quorum of both branches of the Legislature.

Mr. Schenck offered a resolution, calling on the President to know if application has been made for the pardon of Maj. Gen. Pickett, and if steps have been taken for his trial on the charge of his executing Union soldiers; which was passed.

Mr. Spaulding offered a resolution (which was agreed to) requesting the President to cause the prosecution in the U. S. Courts against the Fenians to be discontinued, if not incompatible with the public interests.

There is barely a quorum of members of the House here, and the Speaker declines granting more leaves of absence.

Fourth of July in Mexico.

NEW YORK, July 23.

New York city Mexico correspondence says that the 4th. of July was celebrated by resident Americans there with great spirit. Gen. Magruder, and other Confederates, participated.

Gen. Magruder responded to the toast to the U. S. Army and Navy. The memory of the late President Lincoln was received with respect by the Confederate exiles.

The Tennessee Fraud--Confirmations by the Senate.

WASHINGTON, July 23.

Nashville despatches from high authority state that there was no quorum present when the Constitutional amendment was ratified by the House.

The presiding officer of the House peremptorily refuses to certify that such a resolution was passed by the Legislature,—there being no quorum present.

The Senate has confirmed Henry Stanbury to be Attorney General of the U. S., Jno. A. Cline to be Collector of Customs at Vicksburg, and Andrew McDowell to be Assistant Treasurer of the United States at Charleston.

The Paris *Moniteur*, 14th, says negotiations are still pending and the best feeling prevailed between Prussia and France; but the latest advices seem to indicate that the war will continue.

The Prussians occupied Prague and are still advancing. Benedek's army is re-organized and is 160,000 strong, exclusive of cavalry and artillery.

The Prussians, under Mantenorffes, attacked the Bavarians, near Kessenenz; the latter defended the position ten hours, and retreated to take position on the main. The Bavarian commander, Zoller, was killed.

The Vienna *Presse*, 14th, says that the proposed mediation of Napoleon is ended for the present, and Austria must trust to her own strength and resources. She is resolved to fight to maintain her position as a great power.

The London *Times* declares that England cannot follow Napoleon in an intervention calculated to aggravate present evils.

The Moscow *Gazette* says that Russia does not want a change in European boundaries, and cannot submit to the dictatorship of France.—Russia is despatching troops to the Silesian frontier. Notwithstanding a French fleet has gone to Venice, Italy persists in advancing towards Vienna.

A NEW AND GRAND EPOCH IN MEDICINE!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the so called remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disenfectant power of Maggiel's Salve. In fact, it is here announced that **Maggiel's Bilious, Dyspeptic and Diarrhea Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 43 Fulton Street, New York, and all Druggists, at 25 cts. per box. Sold by all Druggists in Raleigh.

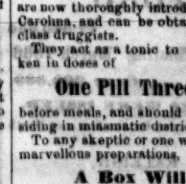
Ayer's Sarsaparilla



IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases. Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venereal Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, will you know the virtues of Sarsaparilla. Five minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agents below named will furnish gratis to all who call for it.

AYER'S CATHARTIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by

Williams & Haywood, P. F. Pescud, Raleigh, N. C., and Dealers generally.
